Sir

We have the honor to enclose copies of a letter to the Mysore District Deputy Commissioner, and his reply, regarding the supply of Toddy to some shops in this District from adjoining Talukes, which have now been allotted to Messrs Kanavaya and Mallia.

We only ask that the supply may be continued as usual, or our shops must be closed, and that your instructions may be issued as soon as possible as the contractors say they will not let us have any

any supply whatever.

Sir

We beg to have the honor to bring to your notice that the new Contractors (Toddy) of Atticoppa, Chamarajpatam, Nagammagal and Hole Narsipur Talks object to our getting supplies of Toddy from Kainambadi, Kaigoonhalli, Haralahalli, Topes, for Malecattas & French Rocks Chirkas. As these topes have been the source of supply for many years past, we beg you will kindly issue such instructions that the supply may be continued as heretofore. Should however this be beyond your jurisdiction, we request you will be so good as to send the matter on to the Dewan as soon as possible

possible, as we shall be suffering great loss from having to close the shops in those Pirkas.

Also the Toddy supplies for the shops in Baby and Naidoo Pirkas from Bimanhalli and Bindanhalli Topes in Nagamangal Taluk. Trusting you will be so good as to give this your earliest attention. We may mention that there is sufficient toddy to supply not only the Pirkas mentioned in this letter but also the shops belonging to those Contractors also.

Should you not feel disposed to settle this matter, we should be much obliged by your sending those Contractors instruction to allow the supply to continue as before pending the decision of the Dewan. To-morrow will be the 3rd April.

The Dewan's Proceedings No 610-11/35 dated 24th April 1884.

With reference to the above, has the honor to submit herewith a statement in the form prescribed therein, shewing the names of Topes &c from which Messrs Davy Muddappa & Co desire to draw toddy for the Mail-Kote and other Sikas.

2. Mr. Kanania admitted before the undersigned when the lists sent by Messrs Davy, Muddapa & Co were read to him that, they did draw toddy from

from the topes therein specified, when he got the Contract in April last, but said that if they drew toddy from them they would have to pay for it. The parties consented to settle the price between themselves and left, but from subsequent representation from Mr. Kanamia this does not appear to have been done. They have been now asked again to settle the price between themselves.—
